

## HAND HEMMING by DAZZLE IMAGE CONSULTING

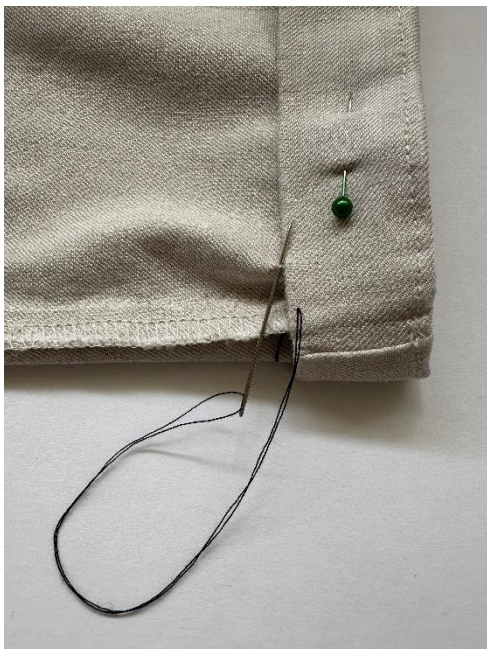

### Step 1

This method involves no cutting, no ironing and is hand sewn. Have pants inside out, lay flat.

### Step 2

Turn up the existing hem, pin in place. Thread Needle with matching cotton. Knot both ends. Start at side seam.

### Step 3

Needle is pulled through the fabric. Place needle through a thread in fabric below the folded hem.

### Step 4

Place needle into a thread in the existing hem. Pull needle through fabric.

**Step 5**

Same as Step 3

Place needle through a thread in fabric below the folded hem.

**Step 6**

Same as Step 4.

Place needle into a thread in the existing hem.

**Step 7**

A close up of the stitching.

**Step 8**

Sew to next side seam and cut threads and make a knot. Rethread needle, knot ends and repeat stitching from prior steps for the rest of the hem. Finish with a knot.
